**Subject:** Assistance with scheduling meeting with DDs - pending Aldicarb uses

Hi Anita,

I am not sure if Marion has already contacted you about this, so please excuse me if he has.

Would you be able to help us schedule another meeting with the DDs for the pending aldicarb action?

Marietta asked if we could find a time this week or early next week (ATL). The team is meeting on Tuesday, so I would hope it could be scheduled sometime Wed. or beyond, but we will take what we can get.

The invitees would be the same as those you invited to the meeting you helped us set up on Wed. 11/18/2020 from 4:30 – 5:30 pm.

Do not mind any out of office indications on my calendar, as my schedule is in flux and I will work around any times you can find.

I appreciate your help with this.

Thank you!

Debra
